The Premises:

Before I start, I think this is Kellies but I havent been to this location before on Cricklade Road. Those who have been to cricklade Road will know if it is Kellies. Outside appearance was grotty but inside seemed decent enough.

The Lady:

Wow was I blown away. 20-25 looking, long long legs, very short denim skirt, and a very tight t shirt. I really enjoyed the view as I followed her walking up the stairs.

The Story:

There was a menu on the wall of the costs for various services and the ones I wanted, striaght sex and BBBJ totalled ?60 according to the menu but then she asked for ?80. On questioning this she said they were about to change the prices but I would enjoy the time with her. I wish cocks didnt rule brains! For such a good looking she could make a fortune in this game but she was a waste of time and money. Try for yourselves if you don't believe me.
