### The Premises:

Valentines is found behind a garage in a new industrial unit. The blokes at the garage must know what you are up to, but what the heck. A nice clean well st up parlour.

### The Lady:

Sacha is a early 20s Italian and is an attractive blonde (not natural) shaved and very apealing.

### The Story:

Had to wait for her to finish with a regular (allways a good sign) and then had a shared jacuzzi. Great sexy chat, she is really interested in the perversions that age and experience bring - I think she got quite turned on. Sex was great, owo followed by several posistions and finish in doggy. Helped clean up - no clock watching. An excellent punt.
