The Premises:

Her place was clean and tidy, it?s all i ask.

The Lady:

Pretty Brazilian, not 22 as stated on the website but absolutely good anyway, nice ass and better tits, however the best part of her body is her tongue, she knows pretty well how to use it.

The Story:

That?s it! I?m moving to Brazil! Long ago , after a few bad experiences with Brazilians i decided to avoid them, but, Amanda?s pics caught my attention and i decided to brake a rule. I was lucky enough and i have to say that Amanda made a very good impression. She took charge of my ?mate? and just kept playing with it, giving me more and more pleasure. I have a suspect that she?s bisex or maybe just lesbian because her way to use the tongue is just too good (i?m not complaining here!) We had sex in mish, good but nothing special, cow-girl, just great with those ?things? dancing samba, and doggie were a wanted anal but she refused complaining about some pain, a little disappointing but not enough to spoil a very nice session. A very good punt overall.
