The Premises:

Clean and comfortable parlour just off the main Kingswood high street, free parking nearby, safe fairly secluded entrance and not watched from the main road. Havent been here for a while both rooms now have double beds, big mirrors to watch in and clean and tidy.

The Lady:

Very fit horny looking woman of early 30's. Friendly and welcoming and great tits and arse which always makes a difference. Not a tall girl, curvy but not big amazing round arse and a great pair of tits. Sort of girl you just know you have to fuck given the chance, natural looking and seemed a genuinely nice girl.

The Story:

Great time very sexy massage, really knows how to touch all the right bits, amazing covered oral, i was so horny by this time just needed to get my cock up her ! over she went and had her on her knees with her ass in the air, she talked dirty and seemed like she loves it, very very tight cunt and very good muscle control from her, unfortunately not from me and i was spunking in the bag very quickly.

This girl is a great, knows what to do and sucks and fucks like a good un ! shall be back to give her a proper seeing to next time !!
