The Lady:

Pretty much as per website although hair a bit darker and a little longer in length..not bright blonde as per website which was fine with me, small and petite and i would say late twenties early thirties, very nice looking, I was very impressed when i opened the door.

The Story:

Not had a punt in Glasgow or Edinburgh for a while due to finances, but after a few good days at the bookies i decided to splash out and treat myself while up in Scotland.

I usually just hit the saunas, Mostly in Edinburgh as the girls are of a much higher standard than in Glasgow, but glad i paid that bit extra to see Sophie.

Had a great chat on her arrival and then down to business, some more chat then a nice massage and some more of the above. All was well above average, lovely body, beautiful underwear and clothes, gorgeous looking with a touch of class, the whole evening was great.

Great punt, highly recommended, well worth the diversion from my usual Blair street haunt for a change! when finances permit again, would definitely go back for more.
