The Premises:

Typical working girl flat in London.

The Lady:

Pictures flatter her. I reckon shes 23ish. Stinks of fags. Very normal, I don't think I'd go for her in a bar.

The Story:

This was awful. She said she had just got up when I arrived. She was disinterested, and would not allow DFK, or show any emotion. After my one shot she gave me a massage, and then asked if I wanted to go. It was so bad I decided not even to attempt a round two. She obviously was not interested.

Keep your money gentlemen, and use it elsewhere. First time I'd used this agency, but she also works for affair girls.

These eastern european girls are getting worse.
