The Premises:

The London Retreat is a clean establishment, with a friendly, helpful maid. It is well-equipped.

The Lady:

Beautiful, slim and with long fair hair. She is Eastern European with a very sexy accent.

The Story:

Katrina played the part of a jealous girlfriend who had caught me looking at porn. She punished me by tying me up on a cross and tied my balls and cock up with a silk stocking. She then proceeded to tease me exquisitely using her tongue and delicate fingers. She punished me by biting on my nipples and by finger fucking me, which was thoroughly enjoyable.

We ended on the bed with a 69 session after which I was forgiven and told never to be caught again, which of course I intend to happen as soon as I can.
