### The Premises:

This was my first visit to the London Retreat, which I found clean safe and friendly.

### The Lady:

Tall, large-breasted, fair-haired Austrian lady, who had the ability to be firm and soft as required.

### The Story:

Angelina started by tying me to the cross, with my cock and balls bound. She was topless with a short mini-skirt, which I found very arousing. Angelina punished me with the use of a paddle on the hands and by squeezing hard and nibbling my balls. She turned me round and then punished me with the paddle on the arse. She then fingered me and used a vibrator.

She then tied me up on the bed and forced me to enjoy a 69 session with her. After I came, she continued to gently stroke my balls and cock while I continued to enjoy the pleasure of licking her pussy.

It was a very enjoyable session.
