The Premises:

Nice house in a quiet residential area. Met in a local hotel car park and she guided me to her place. Clean house, nice comfortable bedroom with mirrored wardrobes (which she used to full advantage). Offered a drink on arrival.

The Lady:

Absolutely charming, beautiful and genuine. A Ukranian lady with a very sexy accent. Very friendly and impossible not to feel at ease with. Very, very slim with a perfectly formed body, beautiful small breasts and the tiniest waist I've ever seen. She apologised for not having time to put on any make-up, but quite frankly, didn't need any - she's stunningly beautiful all over. (Her website pics are lovely, but don't really do her beauty justice.)

The Story:

Gina started by going down on her knees to give me a blow-job (w/o) in front of the mirror. She said she liked to watch herself sucking cock - and really did. We spent most of the time having oral, including 69 at her suggestion. (This was absolutely sensational). Gina came while I licked her and this wasn't faked! Had full intercourse in several positions which she liked. Gina simply wants to please you as much as herself. She's a genuinely highly-sexed lady. Finally came in her mouth and she swallowed. No hurry to leave and offered the opportunity to wash and refresh. This was a true GFE. Gina is an absolute gem.
