### The Premises:

My hotel.

### The Lady:

5ft 1in, slim, 30, nice looking - boobs about 34/36 C - but am not perfect at guessing (I hate huge boobs, but these were okay!)

### The Story:

She arrived late having had a busy day, a puncture and got lost. Absolutely exhausted but with a nice smile still on her face. Having had a really fast shower, she reappeared to give me one of the most magical times I have had. Actually I was really quite upset that Kandy had been unable to make it as I had really fancied some time with her again, but lovely Sam fully made up for it:) The thing in a girl that most turns me on is responsiveness - something that Sam has by the bundle! What she also has is a real flair for knowing which button to press. A really really good time. Many many thanks Sam - I hope we meet again soon!
