### The Premises:

Basement flat in a secure and respectable area, with easy access to parking and tube stations.

### The Lady:

As stats on Hamiltons website, except she was somewhat more rotund than her Dress Size 8 and 24 inch waist that was stated. This is the girl in the photos but they are not recent.

### The Story:

Haily is a nice enough lady, very chatty and out-going but by her own admission she had put on weight, and quite a lot of it too. She also does not do A-Levels as stated on the website. All in all I felt somewhat led up the garden path by the website/agency and its description of Haily and her services. If you don't mind a slightly larger lady, then she could be right for you.
