The Premises:

If you want amazing equipment and immense amounts of it plus a truly frightening lady, this is the place to go. I think I was a bit intimidated and too much of a wimp to return!

The Lady:

This is one scary lady!! I guess I bit off more than I could chew in having a session with her. The 2 previous establishments I'd been to (see other reviews) were erotic sexual sensual and dominant. Mistress D really focuses on pure domination and nothing else. The upside is she has access to a most magnificent dungeon.

The Story:

Scary but my fault for being a wimp and wanting more sensual - see other reviews

Service Provider's Rebuttal

The lady writes:

- 1) I have NEVER charged a tribute of £200 ...
- 2) I am NE Kent not London.
- 3) I LISTEN to my clients, and always work well within their limits, if they want sensual all they have to do is ask ...
- 4) Although I do not provide sexual services as an experienced lady on the Fetish Scene I know it would be rather silly to focus on NOTHING but nasty, painful domination.
