The Premises:

Great dungeon facilities, very professional, unlike one of the previous punts I'm just about to write up!! Relief to find she was a true mistress

The Lady:

Blonde and buxom, quite well made but I mean that in the nicest possible way, and great head of hair

The Story:

Quite a scary lady and was a bit difficult to get hold of by phone But I persevered and it was all well worth the effort and the wait. She gave me such a good whipping, this time I could be marked and boy she went for it bigtime. No complaints there but my arse stung for ages after as did the rest of it after an amazing session of anal. Bugger me!!!!
