The Premises:

Tiny door in West End - fortunately agency had texted precise directions, so no problem. Inside, up in lift to small, slightly untidy flat - OK but no palace.

The Lady:

Photos on website are accurate, firm young body and an attractive smile. her English however is not great, and there was a little too much "What do you want to do next" about her

The Story:

Pleasant punt but overall a little disappointing. Vivian is a nice friendly girl with a good body, but unlike some of my recent punts she is no "courtesan" and does not bring any huge amount of skill or verve to the job. Started with a quick BBBJ (to completion as I was dying to come!) then relaxed lying together. She definitely "lay back and think of Lithuania" at this stage, and needed to be prompted to start again; similar attitude in mish, but brightened up a bit when I asked for cowgirl. Finished in doggy before time was up, as to be honest I was getting a little bored...

Difficult to know what to say on recommendations. Vivian might be ok if you were a young fit stud who could lead a hard pounding session, but for old codgers like me who want to be pampered a little, well, there are as they say plenty of better girls out there. Sorry Vivian!

Should say that I couldn't fault her manners and politeness, but really this punt just didn't "do it" for me.
