### The Premises:

This was the first time for me visiting a massage parlour. I was made to feel welcome and at ease by the staff and the place didn't feel sleazy. Rachael was gorgeous, with a fabulous pair of tits & nipples you could suck on for ever. She treated me to a back massage to start with and relax me. I received some A1 oral work followed by a 69, which let me feast on her lovely shaven honey pot. I finished off having her doggy style.
