The Premises:

Flair massage in the town centre. Recently refurbished. This used to be 'Capri' and 'Sunspot' in previous years. Very nice now, with pool table and the room I saw was clean and had en suite shower. Always invited to sit for a while with the ladies working that day and to have a drink, before and after.

The Lady:

Helena is a 30-something blonde with a wicked smile, shoulder length hair and probably C/D cup.

The Story:

Fantasticly firm massage to kick things off with, then I just had to massage her and go for the reverse O - I think she enjoyed the final bit as she shook and twitched - gave her time to rest for a few moments after that. Wonderful O after that and then finished by hand over her lovely breasts. Don't wait around fellas, she's a gem, but is due to emigrate in July (some lucky bloke taking her off to Canada).
