### The Story:

First time I've used this agency.... Alex is very helpful and friendly. She was happy to recommend girls after a brief discussion and her choices were excellent.

Booking was for me and two friends. Jessica attended with Lisa and Caprice from the same agency; I cannot comment on performance of the other girls but both were stunning ladies.

I had an excellent hour with Jessica, she is a very passionate lady, a perfect mix of GFE meets PSE. What we did together remains private, but I can say that all was done with a passion and was superb
