A gorgeous blonde scouser who is about 5'7" tall. Toned body with nice boobs and a couple of tatoos.

The Story:

Abi who is also known as Rio burst into the room and treated me to an amazing experience. She gave me a relaxing massage and then proceeded to start licking me around the anus. As she rimmed me I started to get a rather excited, Abi encouraged me to kneel on all fours and then started playing with my cock as she continued to rim me. She then flipped me over and went on to give me a prostate massage whilst giving me a slow uncovered BJ. This was an out of this world experience! I couldn't last much longer following this treatment and came rather a lot! I have never had a better service anywhere. See you again soon Abi.
