The Story:

This is the fifth time I've seen Charlotte and I have never been disappointed. She's gorgeous (the Kidman comparison is not off the mark). She understands what I want (mild domination) and she makes my fantasies come true.

Charlotte is 100% into what she does -- definitely not the clock-watching type -- and she's creative. Every time she uses her perverse imagination to find new and unexpected ways to torment me. But every time she also finds new and unexpected ways to pleasure me. I'll be back.
