## The Story:

It took some time to meet Natalie. Finally i did it. She is a nice girl with a cute face. She showed up in a simple but elegent outfit. She has great body and warm, kind personality. We went down to a business after a short chat. Apart from that her uncovered bj was very good and long lasting. During the bj she changed her position so that I could caress her pussy. She finished the session by massaging my back. Very good time indeed. I am looking forward to meet her again.
