The Lady:

The lady is exactly as her pictures although those pictures fail to reflect the warm and friendly personality she has.

The Story:

The kind of fetish play offered by London Retreat was new to me, but as Lisa told me at some time during the session: "you should always try some new things..."

So I did and I enjoyed it very much (even the surprises :-). I will not go into the details but only mention that strap-ons, pegs and silk cords all had a part to play...

I left with a big smile on my face !
