### The Story:

Cathy is well known in Norwich for her oral techniques. In short, she's the best blowjob in the city, but as I wanted a bit more, I thought I'd go for everything. Being the good old girl she is, she offered me the lot for just ?30.

We started off on her sofa, watching a porn video as she played with me, before she got down to business and started to suck the life out of me. If I hadn't already paid my money I would have settled for this, but I wanted more. So we moved onto the bed as we cuddled a little before Cathy mounted me. She's just a good a fuck as she is at blowjobs.

After we fucked for about five minutes, we returned to the sofa to catch more of the film, and Cathy finished me off by hand, calling me a "right horny bastard" after I came.

Cathy may not be to everyone's tastes, but she is one horny bird, and I will definitely be returning, even if it's just to see the end of the film!!!!
