Tall busty woman in her early 30s. She is not slim, definitely a round woman.

The Story:

Rang maxes and asked for someone who could provide a PSE. Was recommend Roxy, who was someone I wanted to see for a long time. Gladly accepted the recommendation and made a booking for 2 hours. On arrival at Roxy's flat, which by the way is very nice and welcoming, I was greeted with Roxy in her PVC nurses outfit. Was offered some wine, and we started chatting, whilst a h/c dvd was playing on her laptop. Now, I may get shot down in flames here, but i thought the pix of Roxy ARE much better the real thing. Granted, she does look good, but the pix make her out to much better. Anyway, minor point aside, Roxy helped me undress and then proceeded to do a BBBJ. We moved on the bed and continued the fun, also do tit fuck, 69 and back to me being blown. This resulted in me blowing my load over her tits and face and hair... wow. After a clean up, in which this time Roxy had a costume change, this time into a fishnet body stocking and high heels. Roxy again performed a BBBJ to get me ready, then suited up and we had some fun in the missionary. At this stage Roxy get a very large dildo out and started playing with it. Me and the dildo then DPed Roxy which was fab. We changed to the doggy and carried on for sme time. We then relaxed and had some more wine and chatted. Roxy then mentioned that time was almost up, but I did not make much as I was having a good time. After a little while, Roxy said time was up. Now I am not one for make a scene or to argue, so I got changed and left. It is for this point that I gave 6 for performance and attitude. I have mentioned this to agency.
