The Premises:

Small efficiency which was clean and only 5 minutes from the tube stop.

The Lady:

Attractive lady, all natural from Latvia who is 25. Description from website is accurate, other than the age bit.

The Story:

Brought her some chocolates and she quickly undressed me. Started with OWO for about 10 minutes which was very arousing. I then returned the favour and went on to the mish position. Lovely lady who is very friendly. She has been in London for about 2 years now and her English is ok. We were able to communicate better than what I had expected. All in all a very good punt. For me, it was more of a GFE as there was kissing and moaning but nothing really dirty, maybe it was too early in the day.
