### The Premises:

Smart flat in central Mayfair. Behind Claridges hotel - doesn't get any smarter in central London. Flat itself fine, but not exactly spotless....

### The Lady:

Tall - about 5 foot 11 with long, long legs. Very slim and probably a 32A. Long, well coloured red hair, naturally brown. Shaven.

### The Story:

New to London from Latvia and has worked in Germany. All a bit functional, with mediocre massage, routine cowgirl and then she was pleased it was all over. Expressed surprise that a man of my age was capable! Not exactly the ego boost one might expect. Mary then proceeded to tell me how difficult it was to be a WG in London as there is so much competition, so she is likely to move to France soon. I also learned how self conscious she is of her A cups, problems at a local gym and how she is not really trying to give up smoking. (Had three cigarettes during my time there - asking if it was OK only after the third one lit.

Nothing actually wrong, but not value for money - or even money well spent.

I wouldn't be going back, even if she weren't leaving.
