The Premises:

Clean and tidy flat in Gloucester Road, where I found comfortable area to live in.

The Lady:

Blonde hair, not too tall and not too short, very fit, and nice face however she looked very different from the picture on the web-site, I think the pics were taken by professional photographer. Anyway, I was not dissapointed at all as she was still stunning although looked different from the pics.

The Story:

VERY nice body, lovely to hug and shag. She was always willing to feel good and trying to move her body in her way whatever I'm doing for her. Tried several positions and all felt really good.

One drawback was she was not a passionate kisser. She let me kiss only briefly, it was not really FK. However she did BJ without condom, maybe her priority of the service is different from other girls..

Overall, I was very satisfied with spending 1 hour with her. Good personality and easy to talk (though both of us are not native English speaker).
