### The Premises:

The venue was very cramped and very crowded not at all like described on the site. Area was ok.

### The Lady:

Four women in total. All of them particularly unattractive. One old enough to be my mother. One skinny enough to be anorexoric. One severely overweight and the other completely disinterested in what was going on.

### The Story:

This was my worst punting experience to date. I was expecting a party with 4 attractive horny women, as was advertised on the site but instead met 4 of the skankiest females it was my misfortune to encounter. It was without doubt the biggest waste of ?95 I have ever spent. Believe me this website does not deliver what it claims to on its pages...avoid it at all costs !
