Top floor conversion flat (no lift and a bugger if you're unfit like me) in an old victorian house. Clean & comfortable and suitable for the purpose

The Lady:

As per the photos on the web site, brunette girl, probably early 20's and about 5'6" tall. Nice body and a shy smile.

The Story:

Although she is new to escorting, I had seen Nicole before and was enchanted by her shy smile and her willingness to try to please. She greeted me like an old friend and, when I got my breath back from the hike upstairs offered me a shower and a drink.

Back in the bedroom, Nicole seemed very keen and we got down to business. From my point of view, we had a very enjoyable session of oral sex, Nicole seemed to enjoy the attention I gave her pussy and soon reached a climax. Then it was my turn and we went into the 69 position, but her oral technique was so good, that I abandoned what I was doing to her in order to concentrate on the sensations she was giving me. Without using her hands, Nicole sucked,licked and teased me to the brink quite a few times. Finally, I stood up and she knelt and took me in her mouth once more and this time brought me to a climax, then discreetly used a tissue. After some more mutual kissing and stroking, I got dressed and left, feeling very elated.

Once again this agency has found a lovely girl, treat her well chaps!
