The Story:

Morgan is one of those women you can not fail to like, she has a wonderful smile and big green eyes which draws you to her, she has a superb size 8 figure and it is very well toned (morgan is a dancer)

Morgan imediatley made me feel at ease with her infectionhs smile and her cheeky laughing, I had a wonderful time with morgan to the extent that i had originally only booked her for two hours but decide to extend it to three whilst she was there.

I will not go into details of our liason, needless to say that this lady will give you her undevided attention at all times and is not a clock watcher.

will i see her again? yes allready booked
