The Premises:

My second visit to LM parties at the new venue. A nice flat with 2 bedrooms used. The swing has now been installed in the third bedroom but not yet had a chance to try it. Showers, towels, robes etc up to the usual high standard.

The Lady:

3 girls on today. Should have been 4 but Zara left before we started because there were so few guys there. Which is a shame because i really like her and wanted to see her again.
Honey - an absolute star. Horny as hell, and provides a true porn film experience. Her technique is just so good.

Lucy - lovely girl, great body, gorgeous colour.

Danni - lively and sexy.

The Story:

Started with 2 girls all to myself. Had a great range of experiences, and came all too quickly.

Became more like a party as a couple more guys and Honey joined us in the one room. Had another mind-blowing time with Honey - i cannot get enough of her.

With so few guys it lacked a bit in party atmosphere, but it did provide a lot of good girl time, so i'm not complaining.
