### The Premises:

A small clean flat in residential area of Madeley, reasonably safe parking albeit on the roadside. Not given anything but general directions on the telephone and then led through to the flat whilst still on phone. Felt there could be curtain twitching from other residents in block. Experience was a bit off putting but I suppose certain safety precautions must be taken, by both girl and punter. I wouldn't have felt particularly safe after dark!

### The Lady:

Julia was a short, about 5'2" lady of very slim build. She had short hair in a 'bob' style where I do generally prefer longer styles. She had small pert breasts, erect nipples, trimmed pubic hair, navel piercing and tattoo on right hip/buttock. Julia was quite chatty and cheerful definitely trying to help me relax on my first piunt at this establishment, which she succeeded in doing. Good looking and pleasant.

### The Story:

Julia offered a range of services ranging from ?40 - ?90 and I settled on the 'full personal' service at ?50. We settled into a fairly basic but relaxing massage, as one who enjoys a strong and positive massage this was not bad but not the best I've had. On turning over a little hand encouragement on my cock and Julia's use of her long nails teasing the underside of my shaft and exposed glans was exquisite. On with the rubber and some lovely oral, Julia having a twinkle in her eye, maintaining eye contact and some lovely tongue work soon had me straining. Throughout this I fondled her breasts and teased her pussy lips feeling her juices flow. I just had to have a exploration of her pussy with my tongue, which cost me the extra ?10, but it was worth it! Large pussy lips to chew on, delicate clit that throbbed and she did taste lovely! Then on with the action as I mounted her missionary style with Julia lifting her legs to her should and encouraging me on to the finale!
