The Premises:

Good place in St John s wood.

The Lady:

No like on the picture, her face is far less attractive than shown on picture. less skinny, less tall, and she got a bad expression on her face. She seems always to be in anger because she doesn t smile. Nevertheless, boobs are well-shaped.

The Story:

OWO, No CIM, No French Kiss, No GFE.

Very disappointed. She didn t give me attention. She was VERY dry, she didn t put wax. So, it was hard. She wasn't pleasant and nice to talk with. Each time i wanted to do a new position or something she didn t understand. and she answered by something like "so what !".

i jerked off two times. The first time it was ok. The second time, i wanted to fuck her again. and i wasn t so hard. She were like laughing at me, like " ok do you really want to fuck me with this".

I wasn t her boyfriend, and she was here to be at my service....

very very bad.
