The Premises:

Rachels on a sub-thoroughfare opposite a pay & display car park. Unadvertised from the outside, it looks a bit like an old curio shop so if you are spotted going in, despite being on a street frontage, it may not be too obvious where you are heading. Area is safe, clean & well lit. Inside has an air of a reflexologists or similar, with a nice homely smell & relaxing piped music. The 2 rooms are clean & bright. The shower clean & powerful. Open 10:00 to 18:00 only.

The Lady:

Sarah is gorgeous. Probably 23/24, 5ft 7in, long flowing hair, beautiful (almost model like) face. She will meet you at the reception desk in a white tunic uniform with a smile. Once the tunic comes off a tanned (half-Italian), honed body is revealed. Shaved. Natural breasts. Almost perfect. She talks of glamour modelling & you can tell she could do it (FHM High Street Honeys?) Friendly & talkative.

The Story:

?30 per hour for the room (since xmas) is steep. You shower while she gets you a drink. She returns in quick time. The massage is good & enjoyable on its own. The service at Rachels is limited to hand, reverse or B2B (?10 extra). Sarah disrobed half way through to reveal a young body to die for. She will let you touch her anywhere. 'Hand' is slow & teasing. 'Breast' is totally enjoyable. If you take the B2B it is either with her on top rubbing her labia against your cock, or you on top wishing that you'd met her when she worked at Angels & did O & sex! I have visited a few times now & if you just want to lie back & be treated, you can't beat this experience.
