The Premises:

Dianes opposite car dealership. Not too busy road, too randy to worry about car dealership. Door opened very quickly anyway. Clean enough.

The Lady:

Young about 18 years old slim with nicely formed little tits. Too many tatoos for my liking with pierced labia. Pretty enough, looking young enough to be my daughter!

The Story:

Door was opened by Diane, who was just about to go into another room. Shame as she looked really horny mature woman with a nice pair of tits that were pushed up and had me hard in no time. She said would Lee be okay, called her up, as she looke pretty decent I agreed to shag her instead! Nice little pussy and arse. O with condom then onto cowgirl (knows how to use her pelvis) then doggy to finish. Such a tight little pussy that she winced as she was trying to get me fully into her. All in all not bad. Park in Sainsbury for ?1 and walk behind BP garage. Shame I`m not in Taunton anytime soon as I would love to give Diane one!
