The Premises:

Nice 3 bedroom apartment in central Bayswater. No problems getting in our out, and good neighborhood.

The Lady:

5 ladies were there:

Katie - Tall blonde in her late 30s

Lizzie - Very good looking brunette with great (enhanced) breasts and a lot of sex appeal.

Natasha - Very good looking blonde with a great body (bum :-)) and great to chat to as well. The friendliest of the girls, but not the naughtiest.

Brooke - Cute aussie girl with natural breasts, and very friendly.

Tammy - Tall natural blonde with a very cute face and a LOT of energy... Love the pvc boots too :)

The Story:

This was a double first for me - first time with working girls, and also first time in a party! I figured that if i wanted to do it at all, i might as well do it all the way... And great it was.

Came 15 mins late, was welcomed by Max who's a really friendly guy. Got a beer and some snacks. After a while the girls started a duo-show (girl/girl) and most of the guys went for a shower, so i did the same...

Then Natasha came up to me and asked if i wanted to join her in one of the bedrooms - no shit sherlock. Natasha has the face of an angel, and a body to match it. Went upstairs and started kissing, undressed her, got a good BBBJ and had sex (mish/cowgirl). A great girl indeed. Another bloke came by with Brooke and shared the bed, which was a bit of a turn off (not used to being watched), so we had a break...

Next time it was Tammy's turn to have some fun... She is really sexy and gave a very good BBBJ, but when it came to sex she had some problems taking "all of me", so we aborted pre-maturely which was a shame... no lube around! mental note - bring it next time.

So I went around asking the girls who gave the best BJ's in the party - and Lizzie said it was her. Why? Since she doesn't have the gag reflex. Aha- Deep throat I thought - that'd be a first for me. So I was hanging out around Lizzie for a while, helping her come a few times with the vibrator and just being a decent guy (together with one of the regulars...).

Then Lizzie and her girlfriend/flatmate Natasha came upstairs and Lizzie gave me a GREAT BBBJ while I was making out with Natasha. So wish that I had these lovely girls all by myself, but not this time (another guy joined Lizzie when she was done with me). But Lizzie was indeed a VERY talented fellatist and I've never seen anyone take so much of my cock in her mouth before. Happy ending with a CIM and swallow. Will remember that...

Overall, I must admit that I was a bit nervous when I came, but in the end it turned out to be a very good experience. Don't think I'll become a regular at these things, but I might very well try some time again...

Favourites of the evening: Natasha - great personality, very friendly, you just want to take her home (and shag her as well).

Lizzie - was a bit moody on and off, but that BBBJ was amazing

Tammy - Sexy as hell, and she's a Duracell bunny, but bring some lube next time and I'll show her some real stuff.

Thx to Max - my first time was great - and I can't imagine going to any other establishment in the future.
