### The Story:

My first visit to Riyana, and my first incall visit ever. We started off with a quick drink in her lounge area to break the ice, she was dressed in a sexy short skirt almost showing the cheeks of her arse with a tight white top, her figure and looks are exactly as her website. She came across as very friendly, and enthusiastically led me upstairs for a full hour of fuck and suck heaven, I'm a quick shooter but didn't even need to ask for seconds as after a short break she was tempting me back with an excellent blow job.

Finished off round two Doggie Style, and I was still smiling 3 days on.

I didn't feel rushed at all and even stayed for a quick wash and brush up afterwards, although no shower available, which would have been nice.

Would definitely recommend, and I am already saving up for seconds.
