### The Premises:

As usual Silk's was welcoming very professional and discreet. Why this brilliant place has so few FRs is beyond me.

### The Lady:

Juliette is a good looking mid 30s blonde, size 8 to 10 figure with soft skin that is a delight to touch, unshaven and with nipples that could be described as chapel hatpegs..... gorgeous.

### The Story:

A very experienced lady with a smouldering sensual touch. She was able to relax me and flick all my switches with the lightest of massages and I got a rock solid hard on without realising it. I came out with wobbly knees after Juliette had asked what they were and fulfilled my fantasies. Recommended to anyone looking for a slow build up with an explosion of sexual gratification at the end.
