The Premises:

Nice clean and a safe place, the rooms 2 and 3 are a bit small but hey you are not there to survey the property. Comfortable little place, you will hear no complains from me about that.

The Lady:

Wow?. Seeing is believing. What a treasure, her pictures on the web do her very little justice she is fantastic. She said her name is Melissa and I believe her, mind you she could say anything and I will believe her angelic soft sexy, vaguely Yorkshire accent. She has a body of a 20 year old but as far as I care she could be mid to late 20s, frankly my dear I don't give a damn. If a 50 year old could service my needs like she did, I would marry her. I have only seen her 3 times and have already asked her to marry me; twice?.she is one hell of a fucking-angel.

The Story:

On Thursday I saw her twice she is such a genuine naughty girl, with no holds barred attitude let your hands wonder around anywhere except her anus ?reserved for the exclusive use of some lucky so and so called Steve? her lucky husband?. A true professional lady, I could not get her out of my head. All day Friday, so I went back on Saturday?. It is a good job I am off to London for three weeks or I was sure to kick the bucket from exhaustion, or bankruptcy. Either way it would have been one hell of a way to go.

Well Melissa, if you ever have enough of Steve or manage to persuade him on forgetting monogamy, let me know I will arrange our wedding !!!
