The Lady:

I first saw Trisha when I last visited Sue and thought she was much more attractive in person than on the net. She met me at the door with a long passionate kiss and I knew I was in for a really good session.

The Story:

I felt immediately at ease with her and just to make sure I enjoyed myself within minutes she was performing oral (without) on my hard cock, which was delightful. We kissed and cuddled and had sex in the mish which was mind blowing.

This was a true girlfriend experience I intend to repeat.
