The Premises:

Silk's - what can I say, excellent as usual, getting to know the maid really well now, what a shame she is not a WG as well.

The Lady:

Mandy is a mature busty lady size 14+ from Norwich who is billed as the OWO expert with a pierced tongue for extra pleasure.

She is very affectionate, chatty and put me at ease straight away so much I got a hard on sitting in my towel just stroking and talking to her and she loves having sex.

The Story:

I went for the OWO and was not dissapointed. This very experienced lady knows exactly what to do with a cock and balls using her tongue/teeth/hands and nipples.

She brought me to the point of no return over and over again just stopping before evetually bringing me to massive eruption.
