The Premises:

Small flat near Fire Station in Luton. Fairly shabby, but Ok.

The Lady:

Told 22, and Italian. Slim & Busty etc. To be fair she was slim & Busty, but not Italian or 22 !!!.
Looked promising, so decided to stay and have a punt.

The Story:

Due to a lack of time, plumped for a basic full personal service. Started with a good massage using her tits on my back and bum etc.

turned over, on with raincoat and she began sucking away. Quite delightful, had to ask her to slow down. Claire asked if I wanted to fuck her or play with her. I said play, so she lay down on the bed, and I spotted her HAIRY armpits, and on closer examination, her pussy hadn't seen a razor for a week or 3. Not the best turn on, so quickly moved to Mish and blew my load.

Could have been better, esp if Claire paid more attention to personal grooming. Glad I went for the basic option and not 1 Hour.

Would recommend to others, but do check those pits before paying, unless shagging a hairy girl floats your boat.....
