The Premises:

Quiet first floor flat above shops near main street, easy to find and parking in nearby supermarket not a problem.

The Lady:

She is one beautiful lady - a black BBW, the photos on the website give a very good idea, but I can confirm she is in great shape with fantastic skin and gorgeous eyes and smile. Dressed to please at my request and looked a treat.

The Story:

Brandy offers sensual domination so I let her dictate terms for the most part - she teased wonderfully and humorously with her boobs while pinning me down, followed by very forceful facesitting and reverse O. But she's a great kisser too, making for a super GFE, and is extremely accomodating when giving O. Sex to finish, generously just over the hour. I'm all out of superlatives, but this was one of the best hours I've spent - a full and close experience of an amazingly real woman. The bad news is that she's retiring very soon - don't miss out!
