The Lady:

Chloe is a 10/10 stunner. Age 22 I think. Great legs, amazing bum, flat tummy with lovely belly pierce (and that isn't her only one), variety of tatoos that i find sexy as hell, amazing breasts, long black hair and VERY pretty. The pics of her on the web site are all 100% accurate.

The Story:

I'd read a little about Chloe, seen her pics on the web site, and knew i had to see her. You know how sometimes you see pictures of a girl's body and not her face then get disappointed when she opens the door? Well, when Chloe opens the door in her short black dress you just KNOW you have made the right choice.

After chat in the lounge, went to the bedroom where she had me hard after one kiss and pressing me to her. She kisses great, and she feels great. Clothes came off - fuck, she has a body that comes from your wildest wet dreams. Gave me OWO, then I returned the favour, with some fingers. She seemed to enjoy it. Asked if she fancied going on top which some girls don't like, but Chloe said you betcha. Just wanted to have my hands all over her breasts and body while she rode me.

We switched to doggy, and the sight of her amazing bum with sexy as hell tatoos, and pounding into her got me mega excited. Managed to relax while I massged her Clit so she could come (always taught ladies first), then absolutely exploded inside her.

I've had some punts in my time, and I have to tell you, this was an A1 expereince. Not the same sort of fuck fest you get with barbie, but for a sexy, passionate, beautiful, nice, sensuous, exciting encounter, this is right up there with the best of them.

We chatted for a while afterwards, Chloe folded my clothes while I was in the shower which was a nice touch. She's a lovely girl, and she also doesn't see that many clients which is good too.
