**Profile Name:** Brooklyns Babes @Brooklynscrewe

**Website:** <http://www.brooklynsbabes.com>

### The Premises:

the room was tidy but in need of a good general cleaning dust and cobwebs covered window blinds, massage table was ok and the room was warm and safe. rear door was from a safe rear yard which isn't overlooked, when leaving via this way you can be seen from upstairs windows from the terraced houses that back onto the rear of the site. the front entrance is also shared by a taxi firm which is also on the first floor.

### The Lady:

roxy is a very attractive young girl around 28 years of age short dark hair with a scottish accent she's a dress size 8 with a lovely firm body and great tits 36c so so soft skin

### The Story:

this was my second visit to see this young lady who was pictured on their web site a few months ago, i thought i had missed my opportunity of seeing her since her name and picture had been removed, she comes across as being a woman who likes to dominate men and hasn't got a good thing to say about us certainly puts a stop to normal conversation her service was reasonable but mechanical doesn't ask you what you like and doesn't offer too much extra started with massage and then now doesn't do owo finished with cow girl very physical (didn't let me play) maybe next time.

### Service Provider's Rebuttal

The establishment writes, "I am the proprietor of Brooklyn's and although i accept that from time to time members of my staff will get bad reports, I doubt the authenticity of this report. It doesn't sound genuine."
