The Premises:

WFB's in Bury - nice lounge with plasma tv, excellent reception area (and receptionist), always friendly and welcoming, even though I've not been there for a little while. Offered a choice of drinks while I waited.

The Lady:

Lovely girl - pretty face, great body, very slim and fit with probably the cutest and best-shaped pair of boobs I've ever had the pleasure to hold.

The Story:

Started with a nice oil massage which Faith is very good at - hit all the right spots and had me relaxed in no time. Soon changed to some tickling and gentle stroking, again in all the right places. Owo was offered and accepted (extra ?10). Faith has what I regard as an excellent technique - slow and easy with lots of eye contact - wonderful!

We lay side by side for some kisses and cuddles, excellent and friendly, allowing me to explore those boobs. Unfortunately, the old man then decided he wasn't gonna play any more, and attempts to revive him met with only limited success. Sex in mish was great while it lasted but we eventually had to give up and call it a day - Faith seemed quite upset. Some days things just don't want to go the way you want them to. Afterwards I watched Faith step out of the shower and decided that that was a sight that was worth having seen despite the earlier disaappointment - she really does have a great body and she's very friendly too.

Will I go back and try again? - yeah, I think I might, on a day when I'm not so tired, cos I really fancy this girl, she's great.
