The Story:

Julie met me in her car at the local station, and gave me a lift back to her house, a very nice touch. I then sorted out the finances and she gave me a glass of wine before we we went upstairs to bed.

Once upstairs we undressed. Julie has a magnificent body and has lovely long legs. She gave me an excellent blow job, then on with the condom and I fucked her in mish until I came inside her. After that we cuddled, kissed and chatted. I went down on her and licked out her wet sweet tasting pussy. More fucking kissing and cuddling and the hour was up too soon. Her friend Jade who works with her then gave me a lift back to the station.

I had an excellent time with Julie, she has a lovely body, she is great in bed, and she has a charming friendly personality which makes you feel very relaxed in her company. I will definitely be back to see her again.

One last comment, the booking lady was very professional and helpful.
