The Premises:

Normal residencial area, nothing dodgy. Clean and simple room, looked like a cheap B&B.

The Lady:

The pictures on the web should be taken years ago. Now she is one size bigger and boobs were droopy, maybe she will become 30s soon. This was quite disappointing because I really liked how she looks on the pictures on the web. She still looks ok, but not as beautiful as she used to be I guess.

The Story:

However, the service was VERY good. Good french kiss and oral without cover. And she is a real horny woman, kept moving her arse when I was licking her private part, and she was literally masturbating on my mouth.

Once we get into an action, she was very active and looked she is actually enjoy shagging with me. Especially doggy went nice with her rather large arse.

Fortunately I am young enough to do it again after 10 minutes break. Again, she was horny as hell and we had another hard action.

It would have been perfect if she would still have looked the same with the picture.....
