The Lady:

Star is a stunning girl in her twenty's. Physically medium height, long blond hair, toned cared for well proportioned body with all over tan and wonderfull perfect C cup breasts. Very attractive and outgoing lady who is also well spoken and educated.

The Story:

Star took me to the room she was working in, shes very bubbly so theres alot less nervousness when it comes to speaking business asked what service i wanted and discussed exactly what was wanted. For me this was a g/f experience and having discussed what was wanted Star knew exactly what she was doing!. One of the best g/f experiences i have ever had, very high standard service given and if my girlfriends really did behave like this then!!!!. Even oral given with condom is so good it hardly bothers you it is there!, more so the look that Star is enjoying every moment of the action is unbeatable!. Very very happy with what i requested and got
