### The Premises:

Brooklyn's is on the main Eddleston Road, and the entrance is up a flight of stairs, which is helpful as you are taken away from prying eyes at street level.

Brooklyn's is well decorated and equipped like most of the parlours in Crewe. The receptionist was friendly and I was shown into a spacious room with a shower and double bed. The only criticism I could have of the room was that it could have had a few more mirrors.

### The Lady:

Louise is an attractive girl, I'd say about five foot six, with straight blonde hair, who reminded me facially of Melinda Messenger. She had a slim, tanned body, small breasts and a lovely bum.

She was dressed to please in a red bra and matching panties, black hold-ups and heels.

### The Story:

Louise was quite chatty in the room as she began the massage and she told me that she used to work at Abby's in Stoke. She gave a decent massage, with some good attention paid to my balls.

I turned over and Louise removed her clothes and began by kissing me and inviting me to suck her breasts.

We had agreed on extras beforehand, and Louise performed some excellent oral without (?10.00 extra) with some impressive deep-throating and licking of the shaft. Not the very best that I've had, but it was up there.

I then returned the favour, and Louise seemed to enjoy the attention, getting quite wet.

It was then time for the main event and I decided to take her from behind so that I could get my hands on that perfect ass of hers. Usually, I'm only good for about a minute, but for some reason I could keep pumping away and, although it was good, it was obvious that I wasn't going to cum.

I built up quite a sweat and so Louise took over and rode me in cowgirl. Still no joy, and so Louise took me in hand and wanked me to climax, although it took a few minutes and a lot of skill on her part.

I apologised for working her so hard and shared a joke that she should put in a claim for repetitive strain injury.

I would recommend Louise. She has a pleasant personality, she is affectionate and she never became impatient despite my slowness in cumming.
