The Lady:

As "Hillrunner" said on a previous review - "Morgan is 5'7 with a superb size 8 figure, blonde with a gorgeous face and big green eyes". I don't have much to add to that except to say that the all over tan really does look great on her.

The Story:

She loves talking and I really enjoyed chatting to her at the start (and end) of our time together. Morgan and I enjoyed a glass of wine together before going off to the bedroom. Once we got there and she got undressed all I could think was "wow" as she really does have a gorgeous figure. Morgan was willing to try a few different positions but she is small and I am not, so a couple of things we tried didn't quite work! All in all, a really enjoyable couple of hours in the company of an attractive and very pleasant young lady.
